

WARNING

Equine Activity is inherently dangerous and equines have:

- a) the propensity of the animal to behave in ways that may result in injury, harm, or death to persons on or around them;
- b) the unpredictability of the animal's reaction to outside stimulation such as sounds, sudden movement, and unfamiliar objects, persons, or other animals;
- c) collisions with other animals or objects;
- d) or the potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the animal or not acting within his or her ability.

An equine activity sponsor or equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities.
